- **Tile & Grout Cleaning:** Although our cleaners will manually scrub tiled areas as part of a bond clean, we do not specialize in tile and grout cleaning, thus a professional tile and grout clean may be warranted depending on the condition of your tiles and or grout which is a service separate to that of our Brisbane Carpet And Carpet Experts clean.
- **Nicotine / Smoke / Cigarette Smoke Damage:** Cleaning of nicotine and staining from smoke or smoking is not covered as part of our rectification guarantee. It is generally accepted that staining will remain even following intensive cleaning.
- **Carpet Shampoo Stains:** Our Carpet Shampoo services do not include stain removal services. During Carpet Cleaning, the technician will assess the stains and will quote you extra to remove the stain. We do not guarantee 100% on a stain removal process. Sometimes stains can fade up to 80%.
- **Initial Inspection upon Arrival/Final Walkthrough:** When our cleaners first arrive at your property, they will perform a walk around (with you if you are present) to review the service against the quote provided. Should any changes be required (e.g., additional time is required), There are some items that need to be dealt with at your end like property rubbish. A professional cleaner may not be able to take this away from your property.
- **Our Brisbane Carpet And Carpet Experts Guarantee Details:** We guarantee our service by correcting any issues identified by your real estate agent regarding our internal bond clean, free of charge. Issues must be advised to us within three days of the completion of your service. Our guarantee covers those items cleaned as part of your service. Where issues identified are related to matters that did not form part of the original service, we are happy to return to your property to provide additional support at our usual Brisbane Carpet And Carpet Experts service rates.

In addition to the above items if your property is furnished that will be quoted differently, and have to ensure it's added into your quote or we have to quote you while we are there if the property turns out to be furnished. We will only clean or take any responsibility for the furniture that you have paid us and mentioned in your quote and invoice.
